APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source not to exceed 1.0 c.f.s. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level at permittee's well due to any other ground water development in the area. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water herein granted at any and all times.

The total combined duty of water under this permit and Permit 30388 shall not exceed 120.0 acre-feet annually.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second but not to exceed

120 acre-feet annually.

Actual construction work shall begin on or before September 14, 1977

Proof of commencement of work shall be filed before October 14, 1977

Work must be prosecuted with reasonable diligence and be completed on or before September 14, 1978

Proof of completion of work shall be filed before October 14, 1978

Application of water to beneficial use shall be made on or before September 14, 1981

Proof of the application of water to beneficial use shall be filed on or before October 14, 1981

Map in support of proof of beneficial use shall be filed on or before October 14, 1981

Commencement of work filed SEP 27 1979

Completion of work filed OCT 27 1981

Proof of beneficial use filed NOV 17 1981

Cultural map filed NOV 17 1981
